

Updating your skills with Metrix Learning!

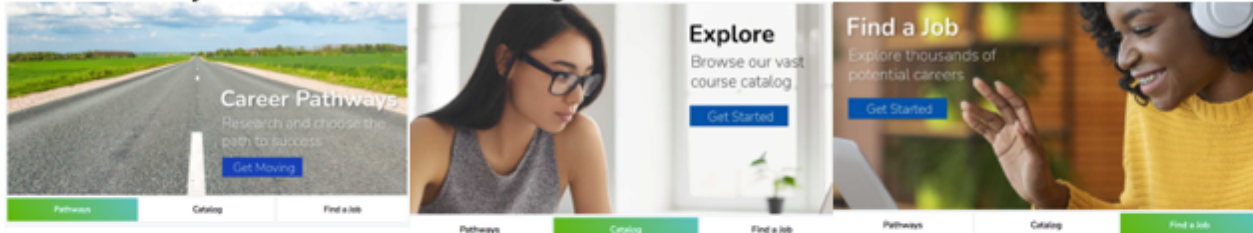

Learning online is an effective and convenient way to enhance your skills. With Metrix Learning, you will have access to self-paced, expert approved training for **180 days!**

Why Metrix Learning?

Metrix courses are provided by Skillssoft, the training provider for more than half the Fortune 500 companies. Pass your courses with 80% or higher to earn a **certificate of completion** displaying your name, the course title, and the Skillssoft logo. You can download and print certificates to bring on interviews to show employers you have the skills they're looking for! We also offer industry certification training in popular certifications, like **Microsoft Office, Project Management, CompTIA**, and many more! You can even earn a **Digital Badge** by completing a Skill Track!

What are the key features of Metrix Learning?

Understand the skills required for in-demand careers and receive a recommended training plan.
